Homecoming

FOOTBALL SEASON—1967

I thought that the 1967 Sequoyah football team, as a whole, did a commendable job. It was gratifying to see boys, who had played very little until this year, come along and do so fine a job for us.

The season was disappointing to the team and coaching staff because we did not win more of our games. We had a very tough schedule, but we felt that we had an even chance to win at least six games.

The team played fine football in seven of their ten games and could have beaten teams like Newnan, Pius, Clarkston, and Monroe with a little more effort, fewer penalties, and a little luck.

Next year the Braves will compete in AAA region and the team will have to work hard to be able to compete.

We have some very fine lettermen returning for next year, and we are expecting a great deal of help from our B Team who won four games and lost one.

Miss Stuart,
 I guess you know why I'm signing here! If
 not, look at the guy on the left!! I don't know
 how you ever put up with me always
 disappearing during break, and being the
 last one in. And having to put up with
 being at the door! I hope you can forget
 that time when he said the "wrong thing!"
 you've made this class what it means to
 be with your enduring patience and
 laughter. We really had fun in this
 class - it was never a bore!! I hope
 you'll be here next year, and the next!!
 Love, Marsha

It's final—the 1968 *Phoenix* has gone to press. This year's *Phoenix* represents a combined effort to produce a book that captures and expresses the spirit of a new Sequoyah—a spirit we call the Spirit of '68. There is an intense pride in Sequoyah that has never been felt before. But this is only a beginning—Sequoyah will become even greater.

The staff has worked—and worked hard—to make the *Phoenix* a representation of Sequoyah's new pride. They have come up with ideas to top all ideas. Their enthusiasm has resulted in making a book which will bring back memories of 1968. They cannot be thanked enough. Special thanks goes to Mrs. Thompson who let us work independently and yet was always there when she was needed. Thanks also to friends and families who suffered through deadlines and headaches with the staff. The job couldn't have been done without them.

For the Seniors, the years at Sequoyah have ended. Now they move on to something new, taking with them memories of the best year Sequoyah has yet had. But they also would like to stay and see even better years.

The 1968 *Phoenix* is complete; the work is done. We hope that each picture "says" something—more than just a picture of a group clumped together, more than a posed candid—something that will reflect the Spirit of '68 and a new Sequoyah.

It's really been GREAT
learning "francars" from
you. I hope I've soaked in
some of that grammar
(I'll really be in trouble
this summer if I didn't)
But, all good for now
and I hope to see you
some time next year.
Love,
Dee-Jay
